HERING joins Combined Heat and Power Alliance

As first heat recovery manufacturer HERING joins the American Combined Heat and Power Alliance to increase its profile in the US CHP industry.

This alliance supports CHP & waste to power projects across the United States in order to reduce energy costs, local emissions and to use waste heat recovery more effectively.

We are looking forward to providing the CHPA and our customers with high quality customized heat recovery solutions „made by HERING“.

Combined Heat and Power Alliance
@CHPAAlliance

The Combined Heat and Power Alliance would like to welcome Hering as our newest member!

WELCOME

HERING | THERMAL PERFORMANCE SINCE 1884

WELCOMING OUR NEWEST MEMBER OF THE COMBINED HEAT AND POWER ALLIANCE!
