### HERING thermal oil exhaust gas heat exchanger successful in operation in Turkey

One of the largest packaging manufacturers in Europe relies on individual waste heat recovery systems from HERING AG. The thermal oil heat exchanger supplies the production facility of Turkey's largest packaging plant in Istanbul with hot thermal oil.

Together with our Turkish sales & service partner **ENEVA Enerji Sistemleri Muhendislik Sanayi ve Ticaret Ltd.** HERING was responsible for the engineering, production, transport and commissioning on site.
