Review 2015

Hering AG looks back on a successful 2015.

Based on our counter, which we had published on our website, we were able to achieve an excellent result. Hering was able to manufacture and deliver plants and equipment up to 154.447 kW.

We are proud of the result which we will try to increase.

Our productivity counter!

Units delivered in 2015

154.447

kW

January 1, 2015 through December 31, 2015

Hering AG would like to thank all customers and suppliers for the great cooperation and trust. We are looking forward to the new business year and are ready for all new challenges.
