Successful exhibition of Hering AG at ACHEMA 2015

Hering AG presents the wide range of customized solutions in heat exchangers at ACHEMA 2015 in Frankfurt, which is seen as the world forum for chemical engineering and the process industry.

A remarkable number of international visitors take the chance to get a detailed explanation of customized heat transfer solutions provided by Hering AG.

The acquisition of new customers and already started joint projects are the highlights of ACHEMA 2015.
